

Approval of Participation

Instructions for the Student:

Give this form to the education abroad staff member who is responsible for approving your participation in international programs at your institution. If your institution does not have an education abroad office, we suggest you reach out to your academic advisor or your Office of Student Conduct to complete this form.

Your UK education abroad application will not be processed/approved until this form has been completed and submitted to UK Education Abroad.

I hereby authorize the University of Kentucky and program affiliates to communicate with my home institution about my status and participation in this program (i.e.: withdrawals, cancellations, emergencies, etc.).

Student's Name: _____

Program Name: _____ Program Term: _____

Student's Signature: _____ Date: _____
